

# PRIVACY PROTECTION POLICY

Master Ascent Limited (hereinafter referred to as this website) hereby lists out our privacy protection policy of this website in order to allow you to use the services and information of this website without any concern. Please read the following carefully:

1. The content of the privacy protection policy includes how this website handles the personal identification information collected when you use the website services. The privacy protection policy does not apply to any related linked websites other than this website, nor does it apply to personnel who are not entrusted or participated in the management of this website.

2. Methods of collection, processing and using personal data

- When you visit this website or use the functional services provided by this website, we will consider the nature of the service function, ask you to provide the necessary personal data, and process and use your personal data within the scope of the specific purpose. Without your written consent, this website will not use your personal data for other purposes.
- This website will retain your name, email address, contact information, etc. when you use interactive features such as interactive chatbot or/and mailboxes.
- During normal browsing, the server will record relevant actions automatically, including the IP address of the connected device, time of use, browser used, browsing and click data records, etc., as a reference for us to improve our website services. This record is an internal application and will never be published.

3. Data protection

- The host of this website is equipped with various information security equipment such as firewalls, anti-virus systems, and necessary security protection measures

to protect the website and your personal data. Strict protection measures are adopted. Only authorized personnel can access your personal data and relevant processing personnel have signed confidentiality contracts. Anyone who violates the confidentiality obligation will be subject to relevant legal punishments.

- If it is necessary to entrust other parties to provide services due to business needs, this website will also strictly require them to comply with confidentiality obligations and take necessary inspection procedures to ensure that they will indeed comply.

#### 4. External links on the website

The web pages of this website provide Internet links to other websites, and you can also click to enter other websites through the links provided on this website. However, the privacy protection policy of this website is not applicable to the linked website, and you must refer to the privacy protection policy in the linked website.

#### 5. Policy on sharing personal data with third parties

This website will never provide, exchange, rent or sell any of your personal information to other individuals, groups, private companies or public agencies, but those with legal basis or contractual obligations are not limited to this.

The provision in the preceding paragraph includes but is not limited to:

- Your written consent is obtained
- The law expressly stipulates.
- To avoid the danger to your life, body, freedom or property.
- Cooperating with public agencies or academic research institutions is necessary for statistical or academic research based on public interests, and the data is processed by the provider or collected by the provider and cannot identify the specific party according to its disclosure method.
- When your behavior on the website violates the terms of service or may damage or hinder the rights of the website and other users or cause damage to anyone,

the website management unit analyzes and reveals your personal information for the purpose of identifying, contacting or taking necessary legal action.

- Conducive to your rights
- When this website entrusts vendors to assist in the collection, processing or use of your personal data, it will perform its duty of supervision and management to outsourced vendors or individuals.

## 6. Use of Cookies

In order to provide you with the best service, this website will place and access our cookies on your computer. If you do not want to accept the writing of cookies, you can set the privacy level in the browser function you use to High, you can reject the writing of cookies, but it may cause some functions of the website to fail to execute normally.

## 7. Amendment of privacy protection policy

The privacy protection policy of this website will be revised at any time in response to needs, and the revised terms will be published on the website.
